

Dr Kilonzo Faith, BDS(UoN)

Dr Kilonzo Faith graduated from the University of Nairobi, School of Dental Sciences in 2008. She interned at The Kenyatta National Hospital and proceeded for Government service at Moi District Hospital, Voi for 9 months. She boldly stepped into the world of private practice as a full-time private practitioner at Thika Dental Care Centre for five years.

Her ambition led her to start her own dental practice in August 2015 so as to combine both her clinical and entrepreneurial skills.

Dr Kilonzo is energetic and bubbly, lively and focused in her approach to life. Away from clinic matters, Dr Kilonzo enjoys travelling, nature trails, watching theatre plays and going catching up with friends.
